Ian	Lecker	<a href="mailto:idlecker16@gmail.com">idlecker16@gmail.com</a> ilecker@email.sc.edu

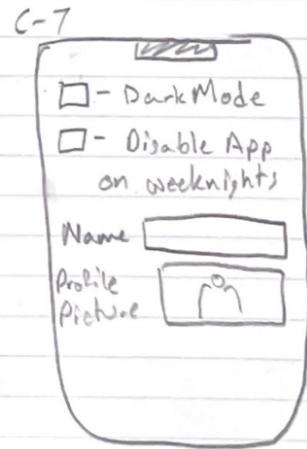

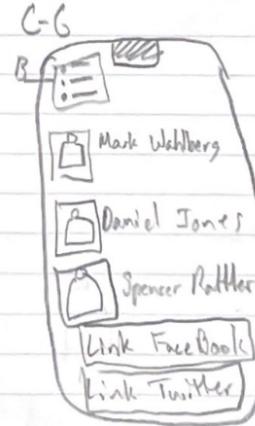

Note Each button is paired with a letter/number code when that button is pressed it will take you to the corresponding part of the app with that code

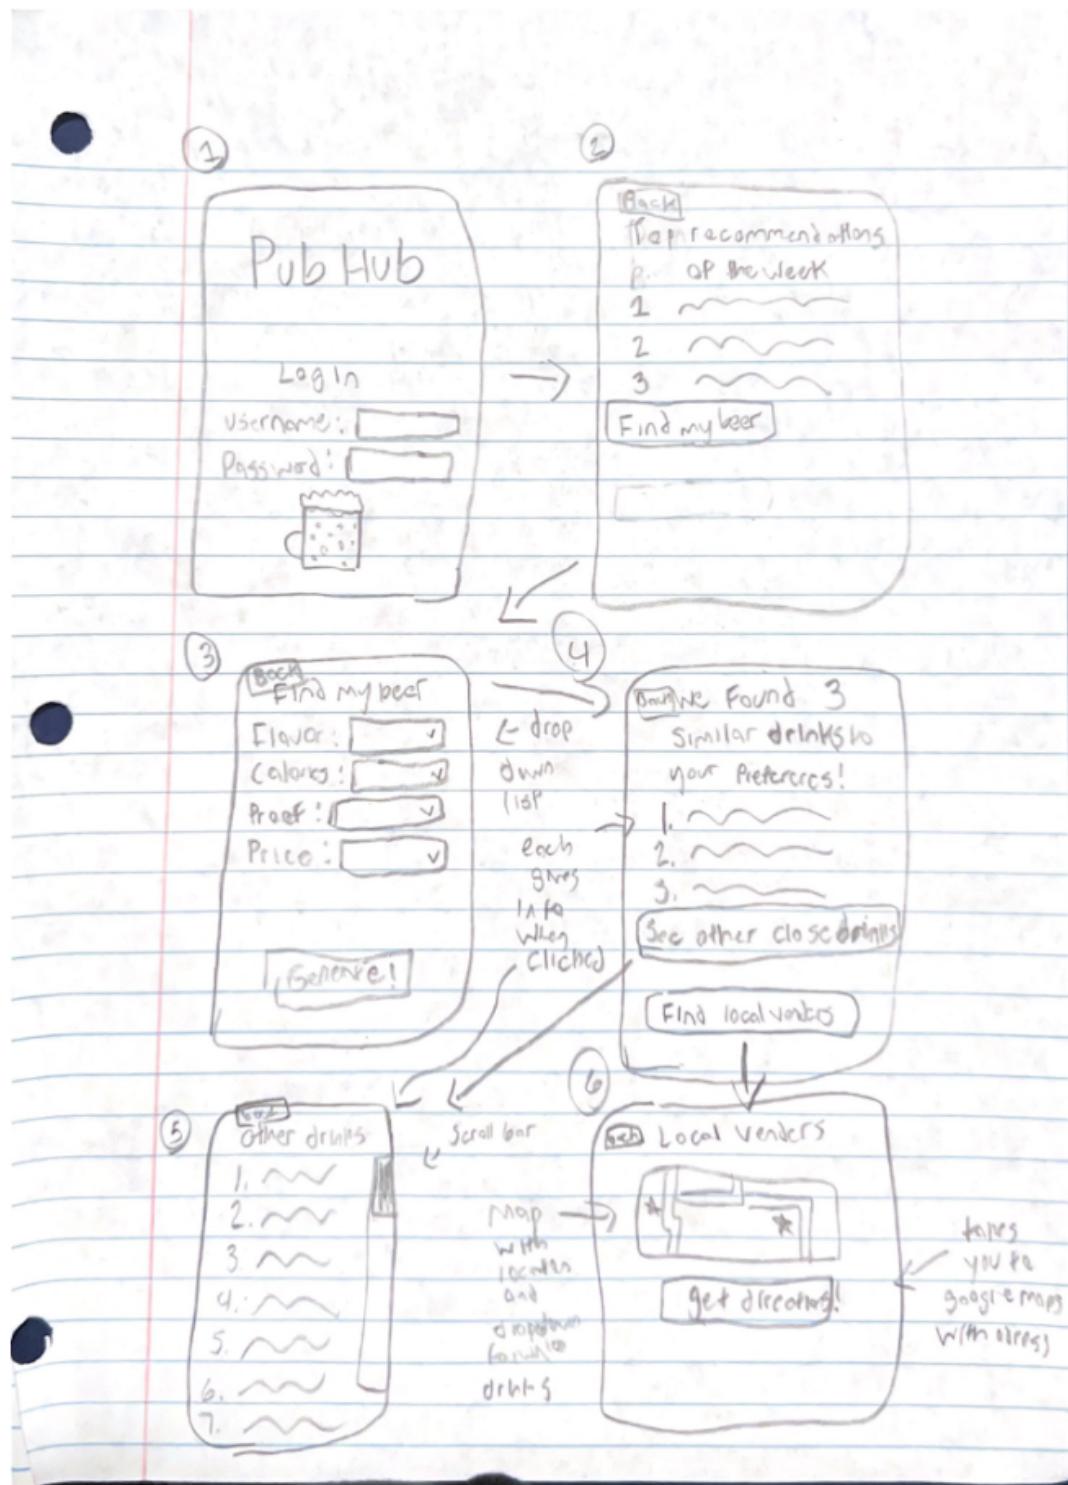

insert criterion like type, price, distance, new, etc  
when drink clicked a popup of drink info appears

when deal is clicked, it is linked to the website. The deal is on.  
Sad attempt at the top.
